

(Note Location Change) APPROACHES & LANDINGS Part THREE

The Big Categories we as pilots need to be good at in order to contribute to safer flying skies are Maneuvering Flight, Approaches and Landings... This morning is your opportunity to participate in Part Three of this very classic series.

We will present Video and focus our Discussion on How to best prepare for NIGHT FLYING, Landing on Wet, Icy, or Snow Covered Runways, Landing with Gear Extension Problems, and MORE!

Directions: Location change from Whiteman Airport to Rotor F/X at Van Nuys. 16644 Rosco Blvd, Big Blue Hanger with large American flag.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
